MEET RENEE LITTLE

After 12 years of being coffee co-coordinators, Betty and Maurice Dyer are stepping down. It is with tremendous pleasure and confidence that they would like to introduce Renee Little to you. She is the new Don Justo Coffee coordinator and comes to us with a large advantage. She has already been a part of Trinity's coffee team putting together all orders for more than a year. She traveled with the Trinity United Presbyterian Church delegation in 2018 and had planned to travel again with the 2020

delegation that was shut down mere hours before it was to depart. She

has already visited the coffee finca and toasteria where Don Justo Coffee is grown and processed. After only one visit, she already has a very devoted heart for the Our Sister Parish Inc. mission and for the people in the Berlín, Usulután area of El Salvador. Renee looks forward to working with all of you as Don Justo's loyal customers.
